Online Enrollment Has Never Been Easier

Lightning Fast Setup

Create or use pre-built plans with pre-populated rates and forms. Ease maps employee information by using a rules-based system to make sure no form is left incomplete.

Easy Submission

With EaseConnect, submit open enrollment and mid-year changes directly from Ease to your favorite carriers. Our carrier connections provide a secure submission of forms and elevate the level of service for your clients. Your groups will feel like they work with a Fortune 500 company!

Better Employee Enrollment

Employees make better healthcare decisions. With a unique login, they can view side-by-side plan comparisons and can access benefits information 24/7.

Support Your Clients

Access an enrollment progress dashboard, email employees yet to complete enrollment inside Ease, and copy past plans for renewal.

Manage Changes

Review and make benefit and HR changes year-round. Stay up-to-date by receiving email notifications when an employee adds a qualifying life event or changes a demographic detail.

More Than Benefits

Save your clients time and help them increase employee engagement.

Onboarding

Create and send offer letters, ensure completed W-4s and I-9s, and digitally collect signatures for policy documents.

EaseHR*

Allow employees to request time off, conduct performance reviews, view company stats, and more.

ACA Compliance*

Ensure coverage offered meets government guidelines, send required notifications, and generate IRS forms.

Payroll Integration*

Ease integrates with top tier payroll providers so your clients can sync deduction and demographic information.
